Mathletics

<https://login.mathletics.com/>

Learn to play chess.	If possible, organise to meet your classmates in Mathletics to compete against each other in the arenas.	Work on Study Ladder for 20minute blocks.	Read, read, read and read some more! Breaking up the day with 10 - 20 minutes blocks of reading will add up so quickly	Write a review of Minecraft (or any other game you play), explaining how to play it and evaluating its educational benefits.
Make a find-a-word with your spelling words. Test your family	Create something in the kitchen following a recipe with the help of an adult.	Continue to work towards your Word Per Minute goals on Typing Tournament	Practise your spelling words outside with chalk or paint them with water.	Practice your times tables, both from memory as well as using other strategies, (e.g. 6x7 is 5x7+7)
Play games like monopoly or other longer games. Also play Solitaire or other shorter games on your own.	Learn a new STEM skill at home, maybe how to make a video, cook a meal, build a website, build a video game. (YouTube is helpful for this)	Google 'science for kids. With your parents, choose an experiment you are going to test at home and video record to share with your class. Create a POE –predict, observe, explain, take a picture of it and share it.	Start a journal, write as little as one paragraph a day. Write in the morning about what you want to do that day and /or write in the evening what you ended up doing.	Look around your house and write down all of the numbers that you find. Organise them into groups possibly odd/even groups, numbers representing time; money; measurement, biggest to smallest.
Take a virtual tour around a few museums or art galleries. Diary what you saw and liked.	Pretend you are on a tv cooking show. Select a recipe to cook for your family and demonstrate on video what and how you made it.	Watch a documentary on the environment. Write down five things you found interesting.	Start a sketching notebook, try to add a sketch each day, both originals and ones from YouTube. Try portraits, landscapes and other styles	Work on Matific for blocks of around 20minutes at a time.
Write a letter to a friend. Tell them about what you have been doing and ask them questions about what they are up to.	After watching any movie or show, write a review. Was it good? What was your favourite part?	What environmental issues are important to you? What is the most important issue and what can be done or is already being done to address this issue?	Find Go-Noodle and do some dances and other activities. Have a dance off against your parents. https://www.gonoodle.com/for-families/	Read, read, read and read some more! Breaking up the day with 10 - 20 minutes blocks of reading will add up so quickly
