

DUBBO WEST PUBLIC SCHOOL PRESCHOOL

LEARNING AT HOME

WEEK 9

Work through these activities over the course of the week. Kinderloop posts will support these activities with links to online stories and videos. If you cannot access Kinderloop please contact the school.

	Play Idea 1 Literacy	Play Idea 2- Speaking & Listening	Play Idea 3 Maths	Play Idea 4 Physical activity
Day One	<p><u>Celeste the Giraffe Loves to laugh</u></p>  <p>https://youtu.be/AnKxBI2ZC-A</p> <p>Look for the link on Kinderloop to Listen to Miss Katie read "Celeste the Giraffe Loves to laugh"</p> <p>Next, draw a picture of something you are really good at. Ask an adult to share on Kinderloop.</p>	<p><u>Listening game</u></p>  <p>Play this listening game with an adult. See if you can tell the adult what you hear before the answer comes up on the screen.</p> 	<p><u>Shape cutting</u></p> <p>Use the scissors in your pack to cut out the shapes included below and glue them in your book.</p> <p>Can you tell someone what shapes you are cutting out?</p> <p>Can you post a picture on Kinderloop of your cutting?</p>	<p><u>Plasticine</u></p> <p>Can you use the plasticine from your pack to make your favourite animal?</p> <p>Maybe an animal from a farm, the zoo or the jungle?</p> <p>You are helping the muscles in your fingers get stronger by doing this.</p> 

**Day
Two**

Name Tracing

Use the laminated dotted name to practice tracing your name.

Remember to always start at the top of your letters.

Once you have traced, see if you can write your name by yourself.

Favourite food

Can you draw a picture of your favourite food in your book?

Then can you tell others in your house what is your favourite and why you like it?

Next you can ask them what is their favorite and you can listen.

Counting & Drawing

Roll the dice to create your own creature. You can use your dice you made from Week 8 or one you have at home. You will need a pencil and some paper and try to draw the same type of shape of the body part that matches the number on your dice. (See page below) Start with the body column and work your way across to the extras column. It should take 6 rolls to complete your creature. Maybe you could post the picture of your creature on KinderLoop when you're finished.

Tapping Sticks with Miss Jodie

Find two sticks from the garden, two kitchen utensils or even two pens to use for tapping sticks.

Find the link on Kinderloop to Miss Jodie's group time and tap along.

**Day
three**

Story

 **Michael Cat...**

Find the link on kinderloop to listen to Michael Caton read "Wilfred, Gordon, McDonald, Partridge"

Wilfrid
Gordon
McDonald
Partridge

Can you draw a picture of your favourite part of the book?

Now can you tell someone about it and they might be able to write it on the page for you.

Charades

The aim of the game is to act out a word/object using gestures and movements but without speaking and have the other person guess correctly what it is. You can look around the room you're in to get an idea or maybe from a book. Some ideas could include everyday activities such as brushing teeth, sleeping etc.

What weighs more?

Can you find 5 objects around your house and sit together?

Now pick them up one at a time and see if you can decide which is the lightest and the heaviest.

See if you can put them in order from lightest to heaviest.

Bracelet making

Use the beads and pipe cleaners in your packs to make a bracelet.

This will help to exercise the little muscles in your fingers and get them strong for holding a pencil.

Roll the dice and match the dice with the row on the chart. Your first roll will tell you what body to draw. Your next roll will tell you what eyes to draw and so on until you have a whole picture.

	1st Roll	2nd Roll	3rd Roll	4th Roll	5th Roll	6th Roll
	BODY	EYES	MOUTH	ARMS	LEGS	EXTRAS
						DOTS
						SPIKES
						TAIL
						HORNS
						FUR
						ANTENNA

I can cut
shapes!

Trace the lines and glue into your workbook.

Tracing Lines

Name: _____
