'Where Individuals Matter'

## Behaviour Expectations at Dubbo West Public School

Dubbo West Public School proudly participates in Positive Behaviour for Learning. As such, all students are expected to follow our school expectations of being Safe, Respectful, and Engaged Learners. These expectations are aligned to the Department of Education behaviour code.

Participation in events which are outside of school curriculum activities such as excursions, sporting events, cultural programs, farewells, class parties and other social events are dependent upon students displaying appropriate behaviour, not only at the event, but also throughout the school year. This is to ensure that all representations of Dubbo West Public School out in the community demonstrates positive behaviour.

It should be noted that students have been advised that should they receive **three or more discipline referrals**, a suspension, or a Monitoring Card for major reasons (such as violence, consistently refusing to follow reasonable teacher instructions and inappropriate language directed at another person or teacher, absconding), or ongoing minor referrals, will result in students being excluded from some or all these events outside the school. Parents will be notified when a major behaviour has been recorded. This is to ensure that all students who are invited can fully participate and enjoy themselves without risk of someone else spoiling the event through inappropriate behaviour.
