Wednesday 16 November 2016

Dear Parent/Carers,

Well, here we are more than halfway through Term 4!

There are still a lot of items on our school calendar that we need to get through in these last 4 weeks.

Our whole school transition program will continue every Wednesday until Week 8, 30th November. This has been a hugely successful event, providing students with an opportunity to further develop relationships with other teachers and particularly for Year 2 students, the chance to become more familiar with the Primary setting. Today we welcome our first Preschool transition for 2017 students and I know they will be involved in fun and exciting activities.

Swim School commences on Monday Week 8, 28 November and there are still **three** Year 2 places available. Please see the Infants Office for more information. As mentioned in the previous note, our students will not be swimming on our School Concert day, Wednesday 7 December.

The Christmas Concert, 'Straw and Order' is full and has a waiting list, so unfortunately we aren't collecting any more money or notes for this performance.

Next Monday 21 November, eight students from Year 5 will be presenting their speeches at 9.30am in the hall, as they try to convince staff and students WHY they should be elected School Captain/Vice captain for 2017. Good luck to Hallie Bourke, Anorah Cole, Holly Shields, Denise Villanueva, Archie Kater, Neville McKellar, Dugald Shepherd and Affan Sagri.

On Saturday 5 and Sunday 6 November, eight staff members from our school participated in the community event, Relay for Life. As a school, through Crazy Hair Day and a Cake Stall, we fundraised close to \$500. This is an amazing effort from staff and students.

Just another reminder, Spring is well and truly here and students need to wear a hat while they are playing outside at break times, during PSSA and Infants students who need to walk to Primary for special performances and assemblies.

Have a lovely fortnight.

Relieving Principal
