

A MESSAGE FROM THE PRINCIPAL

Dear Parents/Carers

I cannot believe that it is Week 4 already. This term is already flying by and will be probably the busiest term so far this year. Preparations are well under way for our end of year concert with students and teachers organising costumes and routines. There is a huge amount of work which goes into a concert like this and I would like to express my appreciation for the many hours of hard work that our teachers and students put into these events to ensure they are a success. The concert will take place at 10.00am on Thursday 7th December. The performances will be followed by a fundraising BBQ. As every student in the school is a part of this performance, it would be fabulous to see every parent/carer, auntie, uncle, grandparent and family friend join us to make this year even more spectacular than the last. I can promise a wonderful couple of hours of entertainment.

Preselection for 2018 school leaders will take place next week with speeches being done on Monday 20th November at 9.30am. Students are currently observing Year 5 candidates to see if they think that they would be good leaders and representatives of our school. Parents are welcome to join us for the speeches.

Excitement is starting to build in preparation for the end of year events with the weeks moving past so quickly. Our Step Up program commenced last week with all students moving to the year that they will be in next year for taster lessons. We welcomed more than fifty Kindergarten children and their parents, and many students who will be in the Opportunity Class in 2018. These are important days as students become more comfortable with the routines and expectations as they 'step up' to the next stage of their school career.

Final details are being put into place for the Stage 3 excursion to Canberra which will take place from 27th - 30th November. We are all looking forward to lots of learning and consolidation of learning...and a little bit of fun thrown in.

Our Year 6 Boy's and Girl's day will again take place on the Monday 11th December as our girls are treated to fabulous hair and light make-up thanks to Mrs Harris and Miss Kasey. The boys will not be left out, going to Bunnings, activities and a BBQ lunch. We are also finalising arrangements for our 95% attendance recognition, PBL recognition and end of year awards. Lots happening here at West.

If you are aware of anyone living in our area who are yet to enrol their child for Preschool or Kindergarten 2018, please ask them to contact the school as soon as possible so that we can make them welcome and include them in all of the things that are happening this year.

As always, remember: *There are two primary choices in life: to accept conditions as they exist, or accept the responsibility for changing them.*
