

A MESSAGE FROM THE PRINCIPAL

Dear Parents/Carers,

I have never been more proud of our students than I was on Saturday 11th November. Hallie and Archie, our school Captains, willingly gave their time on the weekend to represent our school laying a wreath at the Remembrance Service. They were fabulous representatives of our school in the wider community. I would also like to thank their parents, Mandy and John, for giving up their time to ensure that our leaders were on time and in full school uniform.

The build is continuing with structural steel for walls planned to go up within the next couple of weeks. I am aware that sometimes the noise from the build can be annoying for our students but for the most part, they are doing a great job of keeping going with business as usual.

Swim school has begun in earnest this week following testing. Our children are already making great progress and are learning new skills to give them greater confidence and keep them safe when around water.

There is a lot happening at West between now and the end of the year. Our final P&C meeting will be at Westside next Wednesday 22nd November at 5.30pm. Stage 3 excursion to Canberra runs from 27th to the 30th November and our whole school concert is on the 7th December. We then launch into end of year formalities and celebrations with lots of wonderful opportunities in store. Look out for notes as there will be a fairly quick turn around on some of them.

Remember: *Happiness is a thing to be practised, like the violin.*
