

## A MESSAGE FROM THE PRINCIPAL

Dear Parents/Carers

Last week, our very own Amy Barton went to Sydney to compete at state level for shot put. She certainly did us proud, coming 9<sup>th</sup>. This is a tremendous effort amongst some very hot competition. Congratulations Amy, keep practising so that you can take them on next year.

Our Step-Up Program (orientation) commenced last Wednesday and will continue through each Wednesday until the 5<sup>th</sup> Dec. It was wonderful to see our new Kinders with their beautiful smiling faces. Everyone had a fabulous time and we look forward to continuing our educational adventure. I would particularly like to welcome the many new families who are coming to our school and I look forward to joining with you on your child's educational journey. We also look forward to continuing our association with the families. Please remember that if there are ever any issues that you would like to discuss, don't hesitate to contact your child's teacher, their Assistant Principal or myself.

The school is currently preparing for our End of Year Extravaganza which will be held on 29<sup>th</sup> November with a BBQ to follow. It is fabulous to walk around the school and hear and see the amazing performances coming together. I would love it if everyone could be a part of this celebration of our past year. Mrs Nicolson has also drawn together two choirs of volunteers (Stage 2 and Stage 3) who are currently working towards a performance repertoire and are planning to do various performances around the community – we'll keep you posted as to where and when you can hear and see these groups.

Swim school testing will be held next Wednesday for students who will be attending later in the term. Preference is given to Students from Years 2, then 3 and 4 who are non-swimmers. I will also remind parents that students with poor behaviour will not be eligible to participate.

I would finally like to remind all parents that students are NOT to be at school prior to 8.45 as there is no supervision available. I would also like to remind parents that pick-up is from the COLA (undercover area) in East St.

*Remember: Determination gives you the resolve to keep going in spite of the roadblocks that lay before you.*

Regards

*Eileen Day*

## Hear Our Heart

The Hear Our Heart Hearing bus will be visiting our school this term. We are very fortunate to have this wonderful service available to us and appreciate the time that has been given to our school. As a result of the ongoing hearing tests we have been able to support several students who have hearing difficulties.

Tuesday 20<sup>th</sup> November for Years 3-6.

Thursday 22<sup>nd</sup> November for students with priority, catch ups and Preschool Group 2.

Could you please keep these dates in mind and if you have any concerns about your child's hearing please let the class teacher know.
