## WEST NEWS

THURSDAY 26 September 2019 | TERM 3

### A MESSAGE FROM THE PRINCIPAL

#### **Dear Parents/Carers**

What a fabulous way to end the term. Our Community Day yesterday was absolutely wonderful! I was very impressed by our students who were nicely settled throughout the very long assembly. The entertainment was first class and parents expressed that they thoroughly enjoyed the day. A lot of work goes into days such as this and I would like to thank all of my staff particularly the Aboriginal Education Committee for their hard work. Without them, these days would not happen and certainly would not be successful. I would particularly like to thank Lea Harris, Kim Fields, Doris Shillingsworth and Leigh Fieldsend for their organisation. The remainder of the newsletter will mainly be dedicated to images of the day.

I would also like to thank the parents who responded to our survey on the day. Each time we hold a community event, we will be conducting a short survey on various topics. We value your opinion and will use this information to continually improve on the things that we do here at Dubbo West.

The school will also participate in External Validation this week. I will provide further information on the results of this in a later newsletter.

I will be on leave from the end of this term until 23<sup>rd</sup> of October. Mrs Nicci Willis will be relieving as Principal. Please do not hesitate to contact her during this time. I will see you all on my return for, what is already shaping up to, be a very busy Term 4. Have a happy and safe holiday. Students return to school on Monday 14<sup>th</sup> October.

Until then, remember: Greet each day with your eyes open to beauty, your mind open to change, and your heart open to love.

Eileen Day Principal

## **Regional Premier's Spelling Bee**

A very successful Regional Premier's spelling Bee was hosted by our school in week 8. Students from nineteen schools competed as Regional Finalists. They travelled from Mudgee, Coolah, Coonabarabran, Parkes, Forbes, Bedgerebong, Eumungerie, Mendooran, Orange, Wellington, Narromine and Dubbo.

Congratulations to our four representatives **Deaken Derrick, Arlo White, George Thomas and Karol Villanueva** who did a wonderful job at spelling some very difficult words. Special mention is given to **Karol who was the runner-up in the senior division.** 

Thanks go to everyone who assisted on the day to ensure that the competition ran smoothly.

# Talk like a Pirate Fundraiser for Childhood Cancer Support Supported by our SRC

Last week we had a lot of fun participating in different activities to raise awareness of students as well as raise funds for Childhood Cancer Support. Our students were very excited about dressing up and talking like a pirate. We had a lolly guessing competition, caption writing competition, a treasure hunt and more. Some classes also ran themes around pirates to engage students with their work.

Students from the SRC as well as some other students who stepped up and volunteered to help with the many jobs, assisted with the activities and helped younger students. All of these students showed great leadership and we are very proud of them.

We are very happy to announce that almost \$400 was raised during the week and that all money will be donated to this very worthy cause.

Congratulations to our winners -

Winners of the caption writing competition were Ruby Fairbanks from 2S, William Dowden from 3/4S and Rory Cameron from 5/6G.

The winner of the lolly guessing competition was Miss Lindy. There were 630 lollies in the container and her guess was 633.

The Treasure Hunt had many winners from each year group. Everyone who entered took away a prize and had a lot of fun.

## News from the Preschool

At preschool we have lots of playing with loose parts. These are things that can be moved around and used however their imagination chooses!

We are enjoying looking after our vegetable garden and have been excited to find lots of ladybeetles hiding in the plants. We took some photos of the beetles and have been learning different facts about them including their lifecycle.
