Dear Parents/Carers,

As we approach our NAIDOC celebrations on Thursday 12th November, please keep in mind that due to COVID-19 restrictions parents/carers are unfortunately unable to attend. NAIDOC classroom activities have commenced this week and it is fabulous to see students engaged in these activities.

Thank you to all that attended our last P&C meeting held on Wednesday 29th October. It would be wonderful to see more people attend these meetings. Please keep an eye on our school app for regular updates and information.

We have pre-owned uniforms held in our SACC Centre, however at the moment we only have a supply of jumpers. If you have any pre-owned school clothing you would like to donate please drop it into the front office.

A reminder, we are now open for Preschool 2021 applications. Should you know of anyone starting Preschool in 2021, that has not enrolled yet, please ask them to contact the school or call into the school office. Please return your 2021 Preschool applications as soon as possible.

Please note that Dubbo West Public School will be operational for all students until end of day on Wednesday 16th December 2020. Thursday 17th December will be an onsite staff development day.

Students and Staff will be marking our respect on Wednesday 11th November for Remembrance Day.

Students are being encouraged to bring a water bottle to school each day and to continue to wear a school hat during outside play time. As the weather warms up it is important for students to keep hydrated to help maintain their concentration within the classroom.

Enjoy your weekend!

Preschool News

Important Information:

In weeks 4 and 5 we will be celebrating NAIDOC with our individual classes so things will look a little different to our usual celebrations. P1 took part in some experiences on Tuesday which led to some interesting questions that we can research at preschool.

We have commenced our Kindy Orientation this week, which the children were all very excited about. We will be taking each class to Kindy during their preschool days, as we are still not allowed to have large groups of parents onsite. We will be visiting during different times of the day so that they get a good overview of what school is going to look like when they get there.

Remember hats, water bottles and spare clothes every day!

Learning at Preschool:

P1 has been fascinated by the amount of roly poly bugs they have been finding both inside and out in the garden. They learned how to make their habitats and what they need to survive. We also watched a video giving us some information about roly poly bugs and found out they can also be called pill bugs or potato bugs! We learned a very strange fact that made us giggle a little bit. Ask your child if they remember how roly poly bugs drink water...

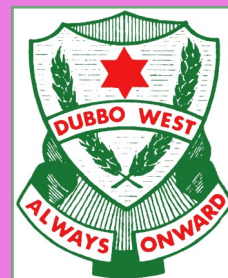

P2 have been spending lots of time in our construction area after a bit of a revamp. One of the favourite things at the moment is the block people. The children can use them as figures in their play or leave them with a building to tell others they built it and they would like it to be left alone. The little block people have already been on a few adventures! Block play is great for children as it develops lots of different skills like problem solving, fostering imagination, encouraging self-expression and developing numeracy skills just to name a few.

2020 Canteen Vouchers

Week 3	
K Yellow	Nicholas Winkley Lucy Townsend

Fundraising Day– Hear Our Heart

To continue to support the very valuable hearing service from

“Hear Our Heart” we will be running a fund raising day on

Tuesday 10th November 2020 (week 5).

Students can wear **RED** clothing as a fun day and make a gold coin donation.

Aurora College

The virtual selective school for rural and remote students

Aurora College is NSW's first virtual selective school, offering a mix of online and residential school classes. The school provides innovative, flexible learning in a whole new context, by allowing students to connect locally and learn globally.

Aurora offers selective classes in English, mathematics and science to gifted and talented Year 7-10 students from rural and remote areas across NSW. Students connect with their teachers and classmates in timetabled lessons through a virtual learning environment.

The college also gives Year 11 and 12 students the opportunity to study subjects not available in their own school. For details please visit our website.

Aurora College offers students expanded career options through innovative partnerships with businesses and with scientific, cultural and tertiary education institutions.

Students in the selective stream are chosen in the same way as students in all other selective classes in NSW government schools.

Applications for entry into Year 7 in 2022:
Opened 13th October 2020
Close 16th November 2020

Visit Selective High Schools website
<http://bit.ly/shs2019>

For further information about Aurora College, visit the our website

From the P&C

The P&C would like to extend their condolences to Aunty Doris and her family during this difficult time.

If you would like to find out what the P&C does and the role it plays in the school community, please send a message via the app or call the school and a member of the P&C will gladly answer any of your questions.

There are some exciting things in the pipeline from the P&C, so watch this space.

Save the date! Our last meeting for 2020 is on the **2 December** at 7pm via Zoom.

See you there!

News from the Canteen

Next week during NAIDOC Day Celebrations, the canteen will be open and running as normal. We are stocking up on drinks, slushies and ice-blocks for the day and can't wait to enjoy the festivities.

The next Terrific Tuesday special is...

Mac & Cheese Deal

1x Serving of canteen-made Mac & Cheese
1x 250ml Water **or** Slushie
1x Popcorn **or** Frozen Stick

You can order your Terrific Tuesday Special on the app or at the window on Tuesday morning.

Everyday items according to the Healthy Canteen Guidelines

All orders are to be placed before 9.30am on the School App or 10am Daily over the counter, correct change would be greatly appreciated.
