Friday 20/11/2020

**Year 6 Health Talk**

Monday 30/11/2020

**Stage 3 Movie Day**

Friday 04/12/2020

**Presentation Day**

Tuesday 08/12/2020

**Year 6 Farewell**

Wednesday 09/12/2020

**Year 6 Pool Trip**

Friday 11/12/2020

**Last Day for Students**

Wednesday 16/12/2020

**Please keep an eye on our school app for regular updates and information.**

Dear Parents/Carers,

Welcome to Week 6, It has been an exciting week watching our new classroom demountables arrive!

As the weather warms up, we are encouraging all students to wear a **hat** and to bring a **water bottle** to school. We encourage children to drink water throughout the day. Water is vital for our bodies to function and to maintain good health. As infants and children can become dehydrated very quickly we encourage lots of water drinking and provide regular access to the children's individual drinking bottles throughout the daily routine.

Today we acknowledged those students who have been following our school You Can Do It! expectations. These students have been building their skills and knowledge to become more confident, resilient, persistent and organised learners who get along. Well done to all students and thank you to Miss Gardoll for the organisation of this activity.

Please note Dubbo West Public School will be operational for all students until end of day on Wednesday 16<sup>th</sup> December 2020. Thursday 17<sup>th</sup> December will be an onsite staff development day.

Thank you to all staff and students that responded in a calm and timely manner to our onsite, whole school evacuation today. This was a scheduled practice to ensure in the event of a real emergency, that we will be prepared. A reminder to all parents/carers to download our School App. A communication message was sent via our School App prior to our evacuation today.

Our next P&C meeting will be held on Thursday 3<sup>rd</sup> December at 7pm via Zoom. If you would like the link for Zoom, please email or phone the school office. We encourage parents and families to join us at the P&C meeting.

Kind Regards,

Nicci Willis

# Preschool News

## Important Information:

With only a few more weeks until the end of the year we have continued to visit Kindy and experience different parts of the day. The children are enjoying the chance to look around with visits to circus, the toilets and the bubblers (always exciting)! Please send us a message through Kinderloop, or let us know at drop off or pick up, if your child has any concerns about Kindy or has asked any questions that you want us to answer for them. The beauty of our preschool is that children can get to know big school before they get there and answering those questions for them eases their nerves.

We have Miss Chloe working with us for the next few weeks. She is studying to be a teacher and we look forward to working with her.

Remember hats, water bottles and spare clothes every day! We have now run out of spare hats because they have been taken home. Sometimes it helps to keep a hat in your child's bag that stays there and is then their preschool hat—one less thing to remember on school days!

## Learning at Preschool:

This week the children sat with Miss Chloe and used different shapes to create whatever they liked. Then Miss Chloe helped them to tell a story about their creation. We are trying to encourage the children to think about what they would like to make and be able to talk about their work.

P2 celebrated NAIDOC with the rest of the school. They enjoyed a performance from one of the school bands from Delroy Campus, face painting, eating yummy johnny cakes and they got to eat a sausage sandwich while they watched the children at Circus. In class they read 'The Echidna and the Shade Tree' and made their own echidnas out of clay and did some paper bark painting.
