No students at school

Tuesday 21st July

Students return to school

Tuesday 21st July— Friday 24th July

Book Fair Viewing
Students Only

Wednesday 5th August

P&C Meeting

Dear Parents/Carers,

A massive thank you to all of our parents/carers for your continued support during Covid 19. We understand that particular changes within our school can seem challenging at times, however we appreciate your understanding in these unprecedented times.

A reminder that in line with Departmental policy, when a medical practitioner has prescribed medication that must be administered during the school day, parents/carers must:

- notify the school
- provide up to date information as required
- supply the medication and any 'consumables' necessary for its administration in a timely way.

Students must not carry medications unless there is a written agreement between the school and the student's parents/carers. Your assistance in this would be greatly appreciated. Please feel free to contact the front office staff if you have any questions.

It has been lovely to see all the applications flowing in for Year 5 Opportunity Class 2021, a friendly reminder that the website closes for applications today.

As we approach the end of term, Semester One reports will go home next week, these reports are a simplified version of the report you normally receive.

We are nearly at the end of term 2. It has been a particularly big term. Everyone is looking forward to a well-earned rest. Staff will be participating in a School Development Day on Monday 20th July so this is a pupil free day. School will resume for students on Tuesday 21st July 2020.

Enjoy your weekend!

Nicci Willis
Relieving Principal

Please keep an eye on our school app for regular updates and information.

2021 Dubbo College Aspire Program Application for Year 7

Introduction

Welcome to the application for entry to Dubbo College 2021 Year 7 Aspire Program

Dubbo College Aspire program is designed to provide a learning environment where students can undertake challenging activities, have opportunities for creativity, identify and develop their strengths and encouraged to achieve academic excellence.

To apply for the 2021 Aspire Program, please complete this application, ensuring all details are correct. If a question or field does not apply, please enter N/A. Please ensure parent/carer details, contact information and addresses at your primary school and entered here are the same.

Applications Open: 20 July 2021

Application Close: 31 July 2021

Selection Criteria

- * Strong academic performance across a range of subjects with developed literacy and numeracy skills
- * High level of self-motivation
- * Positive attitudes to school and learning, including homework
- * Ability to work in a team in learning situations
- * Positive behaviours which enhance learning

Applications will be considered by a panel of staff from Dubbo College. This consideration includes recommendations from Year 6 teachers and may include further consultation with them if necessary.

News from the P&C

What is the P&C Association?

The P&C is made up of parents and guardians of children attending DWPS and other interested people within the school community.

What does the P&C Association do?

We promote the interest of the school by bringing parents, students, and teaching staff together to understand what is happening in the school and the school community. We assist in providing support to the school, teachers, and students. We have some large projects where we are working towards providing equipment for the school through various fundraising events.

How does the Canteen and the P&C Association work?

At DWPS the P&C run the canteen. Recently the canteen has been steadily growing, and we are now able to employ 3 Staff members. We are now able to have 2 staff members in the Canteen every day and we are now able to work on a roster basis. The Canteen staff members are part of the P&C, they attend the meetings and they constantly give us feedback on what is happening in the Canteen.

How can you get involved in the P&C Association?

Join us at our next General Meeting will be held on the **5th August 2020 at 5:30pm**. You are welcome to message the school via the app if you have any questions.

News from the Canteen

What an amazing response we had to the Terrific Tuesday special. We put our new Air Fryers through their paces – over 400 Chicken Fingers were prepared on Tuesday!

We would like to thank the Brain family for their donation of a new Microwave to the Canteen – this has made things heaps easier. Thank you!

Our special next week will be on **TUESDAY – TERRIFIC TUESDAY!!** Please order on the app or send an order in to the window.

Homemade Spaghetti Bolognaise

1x Spaghetti Bolognaise
1x 250ml Water **or** Milo **or** Frozen Stick

\$4

Dear Parents and Carers,

Reading for pleasure unlocks the power of information and imagination and helps children discover who they are. Here's what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in your home. Update this collection routinely to keep up with changing tastes and reading skills.
- Support our school's Book Fair. Allow your children to choose their own books to read.

The theme of our Scholastic Book Fair is **Curious Creatures, Wild Minds!** It's a fun reading event that brings the books kids want to read right into our school. It's a wonderful selection of engaging and affordable books for every reading level.

All students will complete wish lists after viewing the Book Fair Display. Parents and Carers will be able to pay with cash or phone the school on Wednesday 29 July if wishing to use EFTPOS to purchase books and merchandise. We encourage you to support our 2020 Book Fair during these restricted times.

Students Only -Book Fair viewing dates Term 3 Week 1 - 21 to 24 July.

Purchasing date Wednesday Week 2, 29 July.

Remember, all purchases benefit our school.
