NOTES SENT HOME

WEEK 9

Athletics Carnival

Dear Parents and Carers.

This will be the last newsletter for Term 2 and I would like to thank all of our Dubbo West Community for your ongoing support. I would also like to remind you that the last two days of Term 2 (24th and 25th June) are staff development days. The Neighbourhood Centre will be running Vacation Care in the hall so please contact them should you need to avail yourself of this. There will be NO staff development day at the commencement of Term 3 with all students returning on Monday 12th July.

Teachers have been busy putting the final touches onto reports which will go home on Wednesday 23rd June. We will organise a parent/teacher evening in Week One of next term.

Term Three is already shaping up as a busy term with the Athletics Carnival, AECG Meeting (Dubbo West is hosting), Stage 3 team building and leadership excursion, 100 Days of Kindergarten, Bookweek (no parade this year) and NAIDOC celebrations all within the first three weeks. It is going to be an exciting term.

It is with regret that we say goodbye to Zoe Bowkett and Edwina Spackman who will both leave us at the end of this term. We wish them well as they begin the next exciting chapters of their teaching careers.

Have a safe and happy holiday and I'll see you all next term.

First day back for Staff and Students is Monday 12th July 2021.

Remember: *"Never ruin a good day by thinking about a bad yesterday."*

Regards,

Eileen Day
Principal

Expression of interest for Assisted Travel Support Officer (ATSO) position– Dubbo Region Casual Work

The Assisted School Travel Program (ASTP) often provides additional support to students with disabilities on transport. Assisted Travel Support Officers (ATSOs) support students with complex health or behaviour needs to ensure their safe travel to and from school.

If you are interested in temporary part-time work as an ATSO the following website contains information on the role, and how to apply for the position:

Nationally Consistent Collection of Data on School Students with Disability

Notification for Parents and Carers

All Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the *Disability Discrimination Act 1992* and *Disability Standards for Education 2005*. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education is provided in such a way that it cannot be used to identify any individual student or school.

General information about the national data collection can be found on the Australian Government Department of Education and Training [website](https://www.education.gov.au/what-nationally-consistent-collection-data-school-students-disability) at <https://www.education.gov.au/what-nationally-consistent-collection-data-school-students-disability>

Privacy Protection

The NSW Department of Education follows the requirements of the *Privacy and Personal Information Protection Act 1998* and the *Health Records and Information Privacy Act 2002*. Schools will collect, record, store and use data about individual students in line with these requirements. Data security and protection is a priority and students' personal details will be kept confidential.

Under Clause 52 of the Commonwealth *Australian Education Regulation 2013*, data collected by the NSW Department of Education for the NCCD must be provided to the Australian Government Department of Education and Training. This includes the number of students at each level of education, the number in each category of disability and the number at each level of adjustment. The information is provided to the Commonwealth as a series of number sets that cannot be used to identify any individual student or school.

The Australian Government Department of Education and Training follows the requirements of the Commonwealth *Privacy Act 1988* when handling any data provided by NSW Department of Education in connection with the national data collection. A public information notice has been developed to by the Australian Government to provide students, parents and carers with important privacy information in relation to the data collection. This notice is available on the department's [website](https://www.education.gov.au/what-nationally-consistent-collection-data-school-students-disability) at <https://www.education.gov.au/what-nationally-consistent-collection-data-school-students-disability>

If you have any questions about the data collection please do not hesitate to contact Mrs Eileen Day, Principal.

DMMSG
DENTAL MEDICAL MOBILE SERVICES GROUP

Dear Parents and Carers

DMMSG provides high quality, on-site, general dental care services to children aged 2-17 years.

Under the Child Dental Benefits Schedule (CDBS), funded by the Australian Federal Government, our services are at no cost to eligible students. We can provide dental services to eligible children who are covered under the Medicare scheme.

We provide children with essential dental treatment & education using the latest technology in portable dental units.

Our program involves:

- Dental education about oral hygiene and the importance of maintaining great oral health
- Comprehensive oral examination
- Scale, polish and clean
- Topical application of Tooth Mousse (decay prevention)
- Fissure Sealant (if required)

To be eligible for CDBS:

- Children must be aged between 2 to 17 years old
- Must be enrolled in Medicare
- The family must receive Family Tax Benefit Part A

If the child is NOT eligible for CDBS they:

- Can participate in the dental education
- Can receive the Dental Service at a discounted rate of \$79.00
- A receipt is given so can claim on private health insurance.

You can check eligibility by going to My Gov, then to Medicare and then click on child or calling Medicare on 13 20 11.

The cost for Check-up, clean and tooth mousse is between \$140-\$180 bulk billed to Medicare. If child needs fissure sealant then up to \$185 extra may be bulk billed.

Our Health and Safety measures re: Covid 19 are as per the Australian Dental Association guidelines. Changing gloves and mask for each child.

For further information, please contact 02 8631 2415. Kind Regards

DMMSG
