Dear Parents and Caregivers,

Welcome to Week 10.

This week is the last full week before the Easter holidays commence next Friday.

It is also a very sad week as we farewell and pay respect to our beloved student Josh Newman. Our thoughts and love go out to his immediate and extended family.

Parent Feedback – Extended

I like to obtain written parent feedback twice a year. This enables me to know what you feel is working and where to look for future directions. I have attached a feedback form for parents/caregivers to complete. It is called Three Stars and a Wish. I would like you to identify three positives about our school and (stars) and one thing you would like for our school (wish). If they can be returned to school by Thursday 30th March, they will go into a draw to win a \$50 eftpos card. Please make sure you put your name on them so that the winner can be contacted.

Canteen

I am happy to announce that from the beginning of Term 2, we will once again, have our own canteen facility. We have a new Canteen Manager – Amy Stevens who has been employed by the school to provide us with recess, lunch orders and other yummy, healthy food options for staff and students. Thank you to our friends at Burgies Burgers for their ongoing service and support to our school. We are very grateful for them helping us out until we could find a manager.

Rock Your Socks

Last Tuesday, our school participated in **Rock Your Socks** day for T21 – Down Syndrome awareness. We raised \$86.20 – well done to our amazing school community.

Addressing students

I would like to formally mention that addressing or reprimanding students that are not your own, is an unacceptable practice in all schools. If there has been an incident with a child, please don't hesitate to make contact with the class teacher, Stage Assistant Principal or myself to further discuss the situation.

Attendance

Please remember attendance is an important part of student learning and engagement. We may be in the last two weeks of term, but students are expected to be at school. Next term, the attendance percentage of the whole school will be advertised in the newsletter along with our overall weekly goal.

Have a great week!

Principal

Parent Information DRAFT Behaviour Monitoring Cards

Monitoring Card Overview

- All monitoring cards will remain in place until the student achieves 100 points on their card.
- Identified behaviour goals are monitored using Behaviour Monitoring Card in classroom and/or playground.
- Class teacher with Assistant Principal support determines positive behaviour goal for student.
- At the conclusion of each session/break, the teacher and student discuss behaviour efforts and allocate score of 0-3.

A SCORE OF 3= Followed identified behaviour expectations

A SCORE OF 2= Room for improvement but still compliant

A SCORE OF 1 = A 'MINOR' NEGATIVE BEHAVIOUR.

A SCORE OF 0 = A 'MAJOR' NEGATIVE BEHAVIOUR. Student is sent to planning room for conferencing.

Cards are given to playground duty teacher in the first 5 mins of playtime and card holder is to stay in that play area.

Cards are left with the stage AP at the end of the day for calculation of points and check in the next morning.

GREEN LEVEL- All students will start at Green Level at the beginning of each term. Students on Green level attend stage and whole-school celebrations as normal.

YELLOW LEVEL- Classroom interventions and parent contact is not working and additional monitoring is needed to support the child within the school setting.

- Scoring works as above
- Three 0 = move to orange level for further monitoring
- Executive staff can move child directly to a higher intervention if a serious breach of behaviour occurs.
- When 100 points are earned, cards are given to classroom teachers for contact with parent and the principal that the intervention is successfully completed.
- If a student loses or purposefully destroys/disposes of their card they will re-start their level from 0 (zero) points.

ORANGE LEVEL- Executive only to place child on this card with parent/carer contact.

Yellow Level is not working, and additional monitoring is needed to support the child within the school setting.

- Scoring works as above
- Three 0 = move to red level for further monitoring
- Executive staff can move child directly to a higher intervention if a serious breach of behaviour occurs.
